Camille Paglia, a fiery intellectual provocateur and one of feminism's most outspoken and independent voices, will sit down with The Globe's Liz Renzetti to discuss her new collection of essays *Free Women, Free Men: Sex, Gender, Feminism*. Paglia can always be counted on to get to the heart of the matter, and in the post-Trump world her work as one of our most fearless advocates of gender equality promises to be illuminating and essential.

Camille Paglia is the author of the seminal book *Sexual Personae*, and was the founding contributor and columnist for Salon.com. She was named one of the top 100 Public Intellectuals by FP and Britain's prospect Magazine. Searingly intelligent and prolific, Camille Paglia is the University Professor of Humanities and Media Studies at the University of the Arts in Philadelphia.

Elizabeth Renzetti is a national columnist with the *Globe and Mail* and a bestselling novelist.
