CYBER SECURITY

A PRINT + DIGITAL + SOCIAL MEDIA FEATURE

Living in a hyper-connected world brings certain advantages. But with them comes a host of cyber security risks that affect a growing number of people and businesses every day. Since cyber threats are constantly evolving and impact all levels of society, experts call for a collaborative approach, and increased awareness and education for promoting secure digital engagement practices.

Proposed editorial highlights:

ADVICE. We ask the experts about the latest trends and their views on what information can be shared without opening up opportunities for identity theft.

BEST PRACTICES. We highlight best practices and efforts of industry leaders in keeping their – and their clients' – information secure.

EDUCATION AND TRAINING. What are some of the resources available for Canadians of all ages as well as businesses to protect themselves?

APPS AND GADGETS. The technology industry is responding by developing tools that increase our safety – what are the latest innovations?

FINANCIAL SAFETY. How is the financial sector implementing safety measures in response to the latest scams?
