Canadian universities and colleges continue to enhance the scope of post-secondary business education. Whether it's part-time, full-time, MBA, EMBA, diploma or certification, there is something for all educational objectives. These editorial Reports on Business Education will examine the academic trends, with an eye on assisting students as they select the program most beneficial to their career goals.

Tentative Topics:

- Niche and specialty MBA programs
- Programs available through colleges
- A look at offerings with an international focus
- The latest in thought leadership and research from business schools
- University vs. College – making the choice
- The growth of online learning
- Profiles of students in undergraduate, post-graduate and college programs
