Winter is here, but for barbecue enthusiasts, this doesn't mean stowing away the tools and equipment – they see barbecuing is the means for creating the perfect meal for a range of occasions, from small intimate dinners to large gatherings, year-round. Beyond successfully cooking food, many are passionate about advancing their craft, learning more techniques and furthering their abilities.

Proposed topics:

- Tools and equipment. What is the equipment that allows barbecue aficionados the best range of options for showcasing their skills?
- Apps and technology. From finding recipes and tips to connecting with like-minded people, what are the latest apps and technology for people who like to barbecue?
- Beyond grilling. We highlight traditions and equipment that can help to expand the range of options on the barbecue.
