There are 2.6 million co-operatives worldwide, with one billion members and 250 million jobs, and they are working to address major challenges ranging from global trade disputes and job creation to climate change and the refugee crisis. This special feature highlights the impact of working together to meet common economic, social and cultural needs and aspirations through jointly-owned and democratically-controlled enterprises.

Proposed topics:

SUSTAINABLE GROWTH – Leveraging the co-operative model for sustainable growth.

FINANCIAL SOLUTIONS – Co-ops, mutuals and credit unions and their services.

FOOD SECURITY – Food and agricultural co-ops balancing supply and demand.

COMMUNITY IMPACT – Co-ops providing access to essential goods and services.
