Post-secondary institutions across the country are strengthening their support for entrepreneurs with a variety of measures, such as entrepreneurship and mentorship programs, hubs for collaborating and connecting with partners from academia, industry and communities, and other means for moving business ideas forward. This special feature explores the leading schools and programs that enable entrepreneurs to thrive.

Proposed topic highlights:

COLLABORATION – Cross-faculty programs, multi-disciplinary competitions and incubator or accelerator support.

BUSINESS SKILLS – Support for taking an innovation to scale.

PRACTICAL APPLICATION – Opportunities to work in start-ups and early growth companies.

NETWORKING – From the exchange of ideas and inspiration to potential investor engagement.
