From flexible learning options and applied research to community support, Canada's colleges and institutes have played a pivotal role in Canada's COVID-19 response and are helping to chart a way forward. This special feature, produced in collaboration with Colleges and Institutes Canada, explores the role of colleges and institutes in preparing learners for the jobs of the future while enabling better outcomes for their industry and community partners.

Proposed topic highlights:

BACK TO SCHOOL – Adjusting educational offerings to the new normal.

PARTNERING FOR SUCCESS – From educational and community partners to collaborations with industry,

TECHNOLOGY & INNOVATION – Optimizing learning experiences and outcomes.

DIVERSITY & INCLUSION – Meeting the needs of diverse learners.

JOBS OF THE FUTURE – The importance of lifelong learning and up-to-date skills.
