Changing global conditions have had a large impact on the Canadian aerospace industry and have affected its ability to play a key role in the economy. This special feature explores the outlook for the aerospace sector as well as key partners.

Proposed topic highlights:

ECONOMIC IMPACT – Can aerospace leverage the sector’s strength for economic recovery?

INNOVATION – Capturing new opportunities, including carbon-neutral flight and unmanned vehicles.

GLOBAL TRENDS – What the downturn means for the aerospace industry and global supply chains.

SPACE – Canada’s role at the forefront of space.
