

# Redefining higher education

**PUBLICATION DATE:** Monday, November 30

**GET INVOLVED BY:** Monday, October 19

**MATERIAL DUE:** Monday, November 23

**INVESTMENT:** SPECIAL NATIONAL FEATURE OR CONTRACT RATES APPLY

Post-secondary education institutions across Canada have leveraged their world-leading expertise and infrastructure to meet evolving needs, including requirements due to the coronavirus pandemic. What does this mean for students? And how are these institutions – and their researchers and innovators – contributing to Canada’s response to COVID-19 and its impact on business and society? This special feature will explore the future of higher education and highlight inspiring examples of leadership and action.

**Proposed topic highlights:**

**CAMPUS LIFE** – Post-secondary education institutions adapting courses and responding to new realities.

**STUDENT SUPPORT** – How to enable student success in difficult times.

**RESEARCH & INNOVATION** – Accelerating research findings to achieve impact.

**TECHNOLOGY & LEARNING** – Optimizing learning experiences and outcomes.

**PARTNERSHIPS** – Collaborating with community and industry partners for strong solutions.
