INVESTMENT: SPECIAL NATIONAL FEATURE OR CONTRACT RATES APPLY

Since advanced age can make Canadians more susceptible to adverse health outcomes, protecting older populations is essential for boosting community health. This special feature highlights the important contribution of our elders to the well-being of our society and explores the measures and initiatives that contribute to keeping them safe, healthy and engaged.

Proposed topic highlights:

ADVOCACY – Supporting older Canadians in making informed choices and achieving a better quality of life.

SUPPORT – Sources and advice for enhancing safety and well-being.

TECHNOLOGY & INNOVATION – Services and products boosting outcomes for seniors.

IMPACT – Seniors making a difference in their communities.
