

NOVEMBER 2021

The Holiday Entertaining & Gift-Giving Issue

Our festive edition includes pages of dream presents, food and drink tips, our annual look at trends in jewellery and travel hints for 2022.

Omnibus: The Biggest News of The Season

The magazine kicks off with our Omnibus pages where we get our readers excited about big style moments and influential personalities.

The New Essentials: A shoppable guide to everything that's new now

All of style's holiday season and winter debuts are covered in our new market section, expanded to include pages on watches, technology and luxury automobiles. We also cover must-haves in men's and women's fashion, beauty, grooming, travel, wine and spirits.

FASHION

Sweater Weather

The fuzziest pieces in our wardrobes go high fashion as designers rethink sweaters in unique textures, colours and patterns for dressing up and down.

DESIGN

The Big Cover Up

We offer inspiration for adding cozy elements to your home including a profile of one Canadian mill that's making a splash with its locally made blankets. .

GIFT GUIDE

#we'reobsessed

For the most discerning people on your gift list, the issue's luxury guide compiles the fashion, beauty and design finds that they will remember most.

PERSONAL STYLE

A Collectible Home Bar

One cocktail aficionado shares how she compiled an extensive library of rare spirits and the joy she gets from shaking them up for friends and family.
