Food is widely recognized as an essential human right, and Canadian farmers are making an important contribution to food security on a local, national and global level. This special feature will explore the state of agriculture in Canada and the challenges and opportunities affecting farmers and their partners.

Proposed topic highlights:

ADVOCACY & SUPPORT – Advancing recognition of and support for Canadian farmers.

SUSTAINABILITY – Responding to new and emerging challenges.

RESEARCH & INNOVATION – New insights and developments shaping farming practices.

OUTLOOK – Boosting food security at home and abroad.
