The volume and use of data are rising exponentially among individuals, businesses and organizations. Along with systems, networks and technologies, cyberthreats are also constantly evolving. This special feature highlights the role of awareness and education in promoting secure digital engagement practices as well as solutions for enhancing data security.

Proposed topic highlights:

TRENDS – The latest cybersecurity trends and how they impact Canadians.

FINANCIAL SAFETY – Safe and secure financial transactions.

APPS & GADGETS – Fraud-preventing innovations.

EDUCATION & TRAINING – Promoting data literacy and security.
