Whether a business person seeks to climb to the top of the corporate ladder or set themselves apart from other entrepreneurs and consultants, an MBA can make all the difference. In this report, we look at Canada's top MBA programs, and factors that set them apart and set graduates up for success.

Proposed topic highlights:

RELEVANT – Why topics such as sustainability, new ventures and international business are vital to a well-rounded, world-ready MBA.

HANDS ON – Why a combination of in-class study and practical hands-on experience is key to nurturing capable graduates.

SUPPORTIVE – How leading schools go beyond teaching to offer students mentorship, career support, networking and other ingredients for success.

OPTIONS – How options ranging from fast-track, full-time programs to others that allow students to study part-time offer valuable choices.
