

2023 NATIONAL INTEGRATED CONTENT FEATURE – DIGITAL AND NEWSPAPER

# CRUISES

**Integrated Features are turnkey content solutions in which participating advertisers can be mentioned in at least one story. Produced by Globe Content Studio.**

Topics are informed by Sophi, The Globe’s proprietary content management technology that provides our editorial staff and Globe Content Studio with data signals on what is resonating with readers and, more importantly, keeping them engaged. It provides confidence that these are ideal environments to position and deliver your brand message.

## Themes for Cruises

While the pandemic led to rough waters for the cruise industry, it’s starting to see much smoother sailing as we emerge from the worst of COVID-19 and travellers eagerly embark on travel adventures once again. The Globe and Mail’s special feature on Cruises will shine a spotlight on unique offerings and interesting trends in the world of cruising – from innovative excursions and engaging on-board activities to food and beverage experiences, on-board tech trends, enhanced safety measures and more.

Offered four times in 2023 – winter, spring, summer and fall – each edition of the Cruises special feature will not only tell great stories but will also be visually attractive, featuring stunning images to draw the readers in. The Globe and Mail’s discerning readers love to travel, so advertisers won’t want to miss out on the opportunity to get their messages out to Canadians planning their next cruise adventures.
