

Managing Your Money

Integrated Special Reports are turnkey content solutions in which participating advertisers can be mentioned in at least one story. Produced by Globe Content Studio.

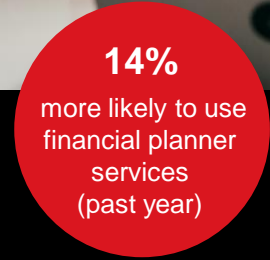

Topics are informed by Sophi, The Globe’s proprietary content management technology that provides our editorial staff and Globe Content Studio with data signals on what is resonating with readers and, more importantly, keeping them engaged. It provides confidence that these are ideal environments to position and deliver your brand message.

Themes for Managing Your Money

As inflation continues to soar and the economy feels tighter than it’s been in recent years, money management tactics are becoming increasingly relevant to Canadians. From savings strategies and smart investing to insurance necessities and hacks for budgeting wisely, insights on how to handle personal finances are more important than ever.

This special report series gives advertisers – which could range from banks and lenders to financial advisors and even grocery businesses – a chance to connect with readers who are looking to make their money go further in this uncertain economy.
