

MAY 2023

The Design Issue

Our spring edition inspires readers for summer with our annual deep dive into the world of design. It's also where we explore the season's big fashion moments including men's wear.

FASHION

The minimalist's closet

A new sense of minimalism is taking hold. We explore the designers and brands driving this wardrobe palette cleanse.

ARTS & CULTURE

Spotlight on Senegal

In Dakar, Senegal, local creative leaders and the international fashion community come together for a headline-making show.

DESIGN

Style springs eternal

What's behind the enduring appeal of mid-century modern design? The answer might be found in Palm Springs' eclectic style.

TRAVEL

Britain's new manor moment

Collect ideas for a getaway abroad as we travel the U.K. to capture the ever-growing popularity of British country house hotels.
